In consideration of being allowed to participate in any way in the classes, events, and/or activities of Okotoks Karate, I, _____, the legal guardian of _____ agree to the following:

- 1) Recognize and understand that karate training is an activity that involves physical contact, and that participation may result in serious injury, including permanent disability or in extreme cases even death.
- 2) Recognize and understand that such risk may be due to not only the student's actions, but also the action, inaction or negligence of others, the regulations of participation, or the conditions of the premises, or any of the equipment used.
- 3) Recognize that there may be other risks that are not known to the student or to others or not reasonably foreseeable at this time.
- 4) The student agrees to immediately inform an instructor if they believe that anything is unsafe or beyond their capability and refuse to participate.
- 5) Assume all the foregoing risks and accept personal responsibility for any damages that may result from injury, permanent disability, or death.
- 6) Certify that the student is in good physical condition and is forthcoming with all medical concerns that would impair the performance or physical and mental well-being during training practices.
- 7) Grant permission to Okotoks Karate, in the event of illness or accident, to administer first aid. If the instructor feels that the care required is beyond their abilities, emergency medical professionals will be called. Okotoks Karate will not be held liable for any costs incurred in these cases.
- 8) Release, waive, discharge and covenant not to sue Okotoks Karate, its affiliated organizations and governing bodies, their officers, instructors and personnel, other members of the organizations, participants, supervisors, coaches, sponsoring organizations or their agents, and if applicable, owners and leasers of the premises from any and all liability to the undersigned, their heirs and next of kin for any and all claims, demands, losses and damages which may be sustained and suffered on account of injury, including death or damage to property, caused or alleged to be caused in whole or in part by the negligence of the releasees or otherwise.

By signing this agreement, you, the legal guardian of the student, confirm you have read the above warning, waiver, release, and assumption of risk and sign this voluntarily without any inducement, assurance, or guarantee being made and intend your signature to be a complete and unconditional release of all liability.
